Won't you consider joining NUBAA? Please join and help us to achieve the goals we have for our organization. We have had an exciting year. In 1006, our membership has increased more than 40%. Our power with the University lies in our numbers. Please join us.

We have a number of events coming up. In the fall, we have a series of events planned - beginning with Black Family Reunion picnic during New Student Week; and in October the planned events include the Inaugural 5k Run to raise money for a new Black Student Scholarship, several homecoming events including our annual party. We hope that you received and enjoyed the alumni newsletter. Look for it to get better as we go along. If you didn't get a copy, please let me know. I will be happy to forward a copy to you.

Next Spring we hope to kick off a speaker event co-sponsored with FMO.

We are also actively engaged with the NAA, to discuss the issues of both Black alumni and undergraduates. We are concerned and committed to raising the numbers of black undergraduates from the current levels of 5-6% back to around 10% of the undergraduate population. We believe that these numbers are integral to successful matriculation of black undergraduates. We believe that a concerted effort of alumni can bring more resources to bear to help Black NU graduates achieve and excel in their fields of choice.

We have a lot to do. We need you to get there. Won't you please take a minute and re-commit to NUBAA today?

Thanks for your time. I look forward to seeing you at some of the events planned for this year.
